

Baolifeng tools Co.,LTD

www.blf-tools.com

EZ series Battery-Powered Hydraulic Tools powered by 18V Lithium-Ion Batteries offering 50% higher capacity, with crimping, Cutting and Punching multi-function.

1. On-site control: Control and Inspection; electronics with integrated pressure test provides an immediate error display without the use of additional equipment.
2. Efficiency control: Multifunctional LED indicates maintenance and battery control.
3. Automatic retraction stops (ARS) after completed crimping: stops at the correct position to secure further multiple parallel crimps of similar type.
4. High performance 18 V Lithium-Ion Batteries offering 50% higher capacity.
5. Power save function through motor stop feature (Automatic stop) once operation cycle is completed.
6. Two stage hydraulics more powerful.

EZ Series Battery Powered crimping Tools

	<p>Model EZ-150 Mini Battery-Operated <u>crimping</u> Tools</p> <p><u>crimping</u> force: 35KN</p> <p>Stroke: 9mm</p> <p><u>crimping</u> per charge: 320 crimps (150 mm² Cu cable)</p> <p><u>crimping</u> cycle: 3s-6s(depend on the size)</p> <p>Battery voltage: 18v</p> <p>Battery capacity: 3.0Ah</p> <p>Charging time: 2Hours</p> <p>Package: steel case</p> <p>Accessories: 4,6,8,10,16,25,35,50,70,90,120,150mm²</p> <p>Note: 2 Battery, 1 Charger, 2 set O-ring for oil vat and safety valve</p>
	<p>Model EZ-240 Mini Battery-Operated <u>crimping</u> Tools</p> <p><u>crimping</u> force: 50KN</p> <p>Stroke: 12mm</p> <p><u>crimping</u> per charge: 170 crimps (150 mm² Cu cable)</p> <p><u>crimping</u> cycle: 3s-6s(depend on the size)</p> <p>Battery voltage: 18v</p> <p>Battery capacity: 3.0Ah</p> <p>Charging time: 2Hours</p> <p>Package: steel case</p> <p>Accessories: 16,25,35,50,70,95,120,150,185,240mm²</p> <p>Note: 2 Battery, 1 Charger, 2 set O-ring for oil vat and safety valve</p>
	<p>Model EZ-300 Battery-Operated <u>crimping</u> Tools</p> <p><u>crimping</u> force: 60KN</p> <p>Stroke: 17mm</p> <p><u>crimping</u> per charge: 320 crimps (150 mm² Cu cable)</p> <p><u>crimping</u> cycle: 3s-6s(depend on the size)</p> <p>Battery voltage: 18v</p> <p>Battery capacity: 3.0Ah</p> <p>Charging time: 2-2.5hs</p> <p>Package: steel case</p> <p>Accessories: 16,25,35,50,70,95,120,150,185,240,300mm²</p> <p>Note: 2 Battery, 1 Charger, 2 set O-ring for oil vat and safety valve</p>

	<p>Model EZ-400 Battery-Operated <u>crimping</u> Tools</p> <p><u>crimping</u> force: 120KN</p> <p>Stroke: 42mm</p> <p><u>crimping</u> per charge: 120 crimps (150 mm² Cu cable)</p> <p><u>crimping</u> cycle: 6s-18s(depend on the size)</p> <p>Battery voltage: 18v</p> <p>Battery capacity: 3.0Ah</p> <p>Charging time: 2-2.5hs</p> <p>Package: steel case</p> <p>Accessories: 16,25,35,50,70,95,120,150,185,240,300,400mm²</p> <p>Note: 2 Battery, 1 Charger, 2 set O-ring for oil vat and safety valve</p>
	<p>Model EZ-400U Battery-Powered Hydraulic <u>crimping</u> Tools</p> <p><u>crimping</u> force: 120KN</p> <p>Stroke: 20mm</p> <p><u>crimping</u> per charge: 150 crimps (150 mm² Cu cable)</p> <p><u>crimping</u> cycle: 4s-12s(depend on the size)</p> <p>Battery voltage: 18v</p> <p>Battery capacity: 3.0Ah</p> <p>Charging time: 2-2.5hs</p> <p>Package: steel case</p> <p>Accessories: 16,25,35,50,70,95,120,150,185,240,300,400mm²</p> <p>Note: 2 Battery, 1 Charger, 2 set O-ring for oil vat and safety valve</p>
	<p>Model EZ-45 Battery Powered Cable Cutter</p> <p>Cutting force: 60KN</p> <p>Stroke: 20mm</p> <p>Cutting per charge: 150 cuts (150 mm² Cu cable)</p> <p>Cutting cycle: 3s-6s(depend on the size)</p> <p>Cutting Range: 45mm(Cu/Al Cable)</p> <p>Battery voltage: 18v</p> <p>Battery capacity: 3.0Ah</p> <p>Charging time: 2-2.5hs</p> <p>Package: steel case</p> <p>Note: 2 Battery, 1 Charger, 2 set O-ring for oil vat and safety valve</p>
 	<p>Model EZ-600N Multi-Function Battery Powered Tools</p> <p><u>crimping</u> force: 60KN</p> <p>Stroke: 42mm</p> <p><u>crimping</u> per charge: 70crimps(150mm² Cu cable)</p> <p><u>crimping</u> cycle: 3s-6s (depend on the size)</p> <p>Cutting Range: 40mm(Cu/Al)</p> <p>punches per charge: 100punches</p> <p>max punching hole: round</p> <p>puncher: 60.5mm</p> <p>punches: the thickness below 3mm(90x90mm)</p> <p>Battery voltage: 18v</p> <p>Battery capacity: 3.0Ah</p> <p>Charging time: 2-2.5hs</p> <p>Package: steel case</p> <p><u>crimping</u> dies: 16,25,35,50,70,95,120,150,185,240,300mm²</p> <p>Note: 2 Battery, 1 Charger, 2 set O-ring for oil vat and safety valve</p>
